

Wealth Ecology Model: Discovering Individual Purpose Questionnaire

The following questionnaire is designed to help individuals reflect deeply, uncover their core purpose, and align it with their ability to impact humanity. Take your time to answer each question thoughtfully and honestly.

Self-Reflection and Core Values

1. What activities or experiences make you feel most alive, fulfilled, and energized?
2. What do people often praise or thank you for?
3. What are the core values that guide your decisions and actions? (e.g., honesty, compassion, innovation)
4. If money were no object, what would you spend your time doing?
5. Think back to your childhood: What were you naturally drawn to, and how has that evolved over time?

Passions and Interests

6. What topics, causes, or challenges ignite a strong emotional response in you?
7. What skills or talents do you have that others recognize in you?
8. Which hobbies or activities do you lose track of time doing?
9. What kind of problems or questions do you find yourself naturally curious about solving?

Personal Experiences and Lessons

10. What is the most challenging experience you've overcome, and what did it teach you?
11. How have your personal struggles or victories shaped your perspective on life?
12. Who has influenced you most in life, and what lessons did you learn from them?

Vision and Impact

13. Imagine it's 10 years from now, and you're at the peak of your success—what does your life look like, and how are you impacting others?
14. If you could solve one problem in the world, what would it be?
15. What legacy do you want to leave behind for future generations?
16. If you could write your own life's mission statement, what would it say?

Peeling Back the Layers

17. What fears or doubts hold you back from pursuing your dreams?
18. What do you do when no one is watching, and how does it reflect your true self?
19. If you had to describe your purpose in one sentence, what would it be?
20. How does your purpose align with the needs of the world and the talents you bring?

Action Steps

21. Based on your responses, what is one action you can take today to align your life with your purpose?
22. What specific resources, people, or knowledge do you need to further explore your purpose?
23. How will you measure success in living out your purpose?
